

# MY CULTURE

# 1. Window art

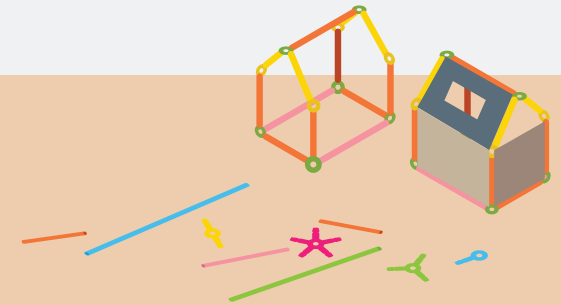

What do you see in the window art?

What materials can you use to make a window decoration?

Draw a design

# CREATE WINDOW ART

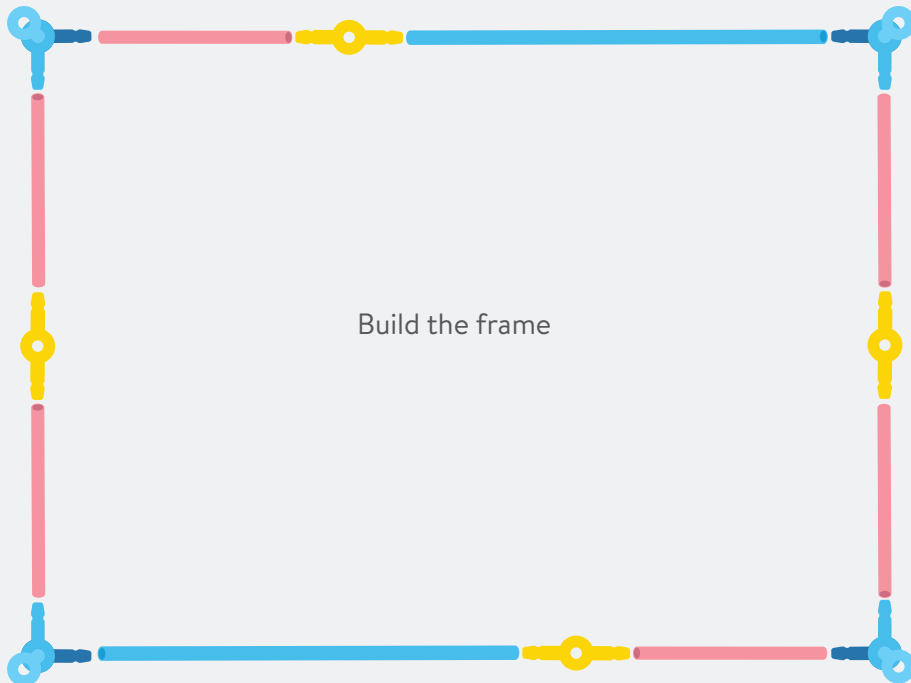

— x 11    ● x 20    ● x 6  
— x 2

**1** Count 12 blue connectors

Make 4 joints

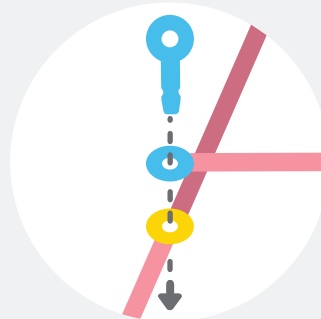

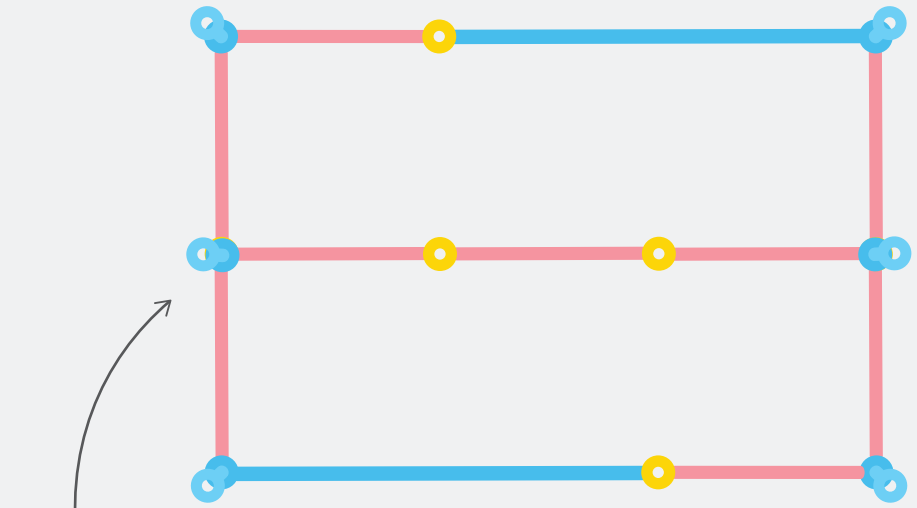

**2** Count 6 pink straws, 2 blue straws and 4 yellow connectors

**3** Count 3 pink straws, 2 yellow connector, 2 blue connectors

**4** Count 2 blue connectors

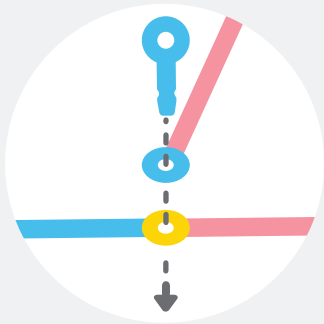

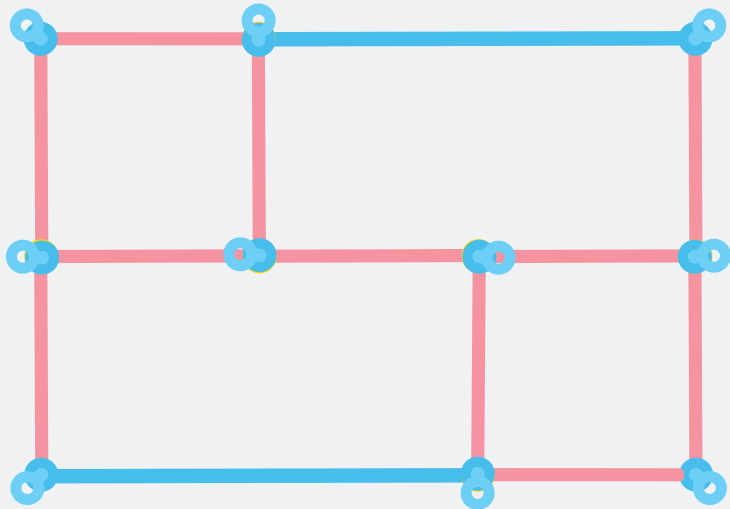

Use blue connectors to attach parts of frame together

- 5** Count 2 blue connectors and 1 pink straw

Make **2** beams

- 6** Count 4 blue connectors

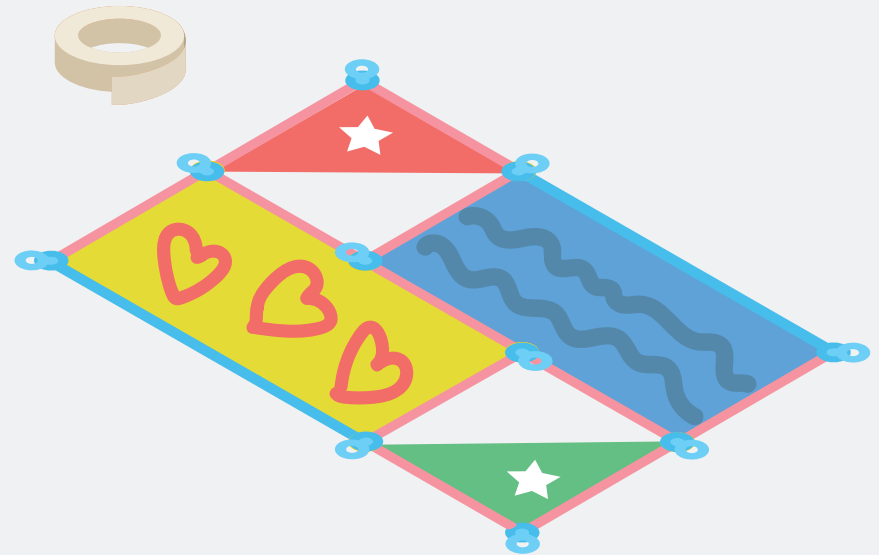

Connect all pieces with blue connectors

- 7** Cut out and decorate paper and foil pieces for your frame

- 8** Glue your art to the frame

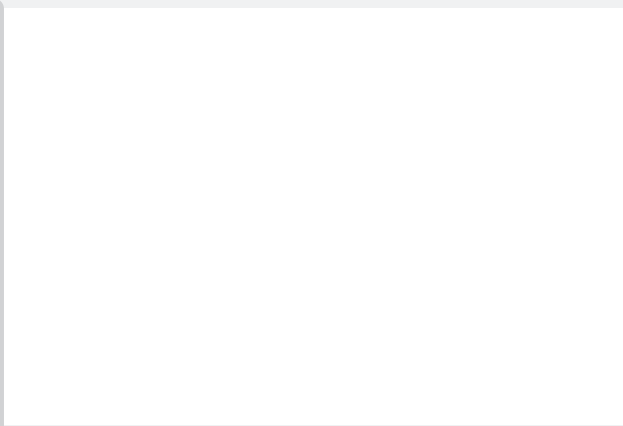

Decorate your window with your window art

# 2. Flag

Draw the flag on the pole

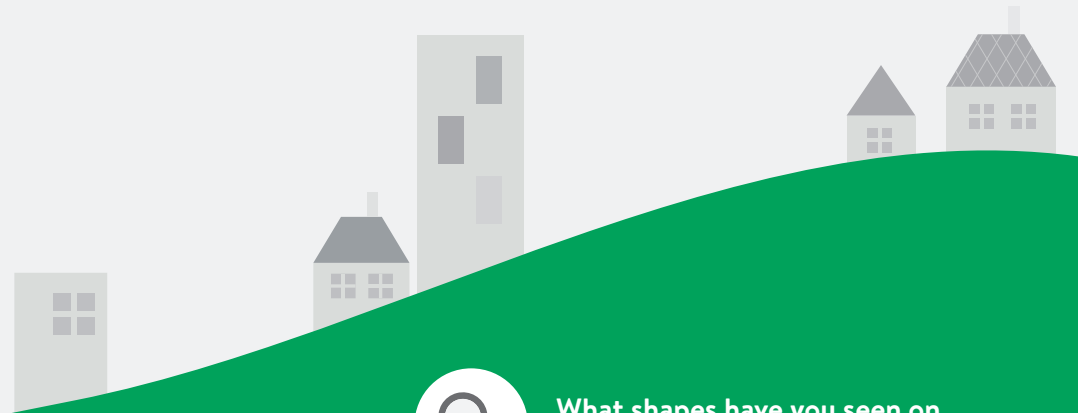

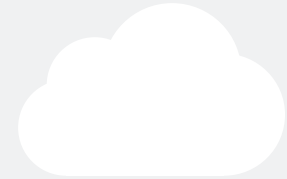

What do the shapes in the flags mean?

When do we put the flag up?

What shapes have you seen on another country's flag?

## BUILD A FLAG

- 1** Count 2 pink straws, 1 yellow connector and 1 blue connector

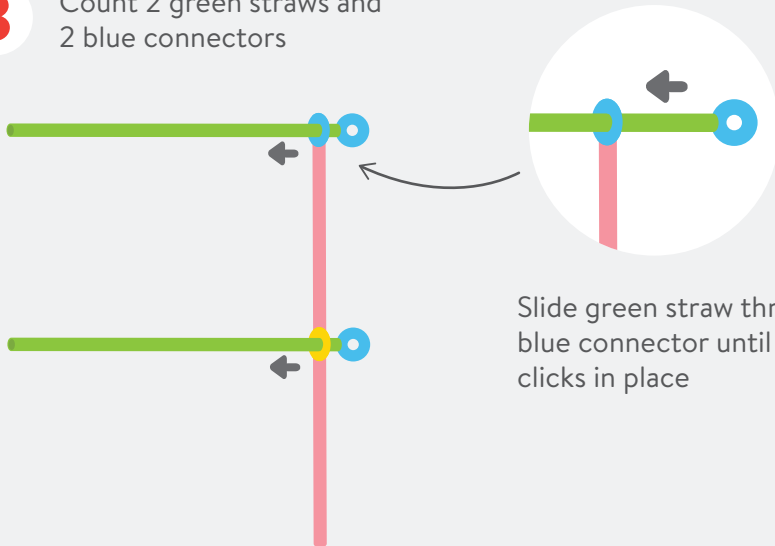

Make 1 handle

- 2** Count 2 green straws and 2 blue connectors

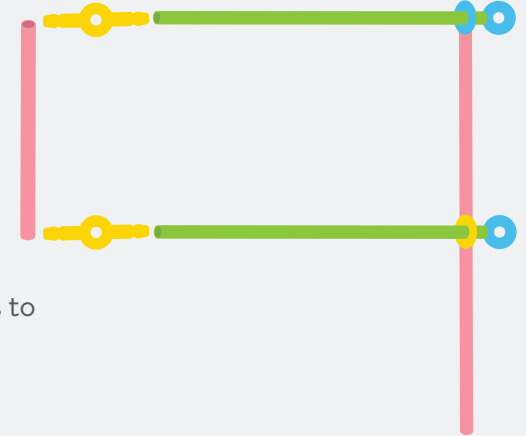

Make 2

- 3** Count 2 green straws and 2 blue connectors

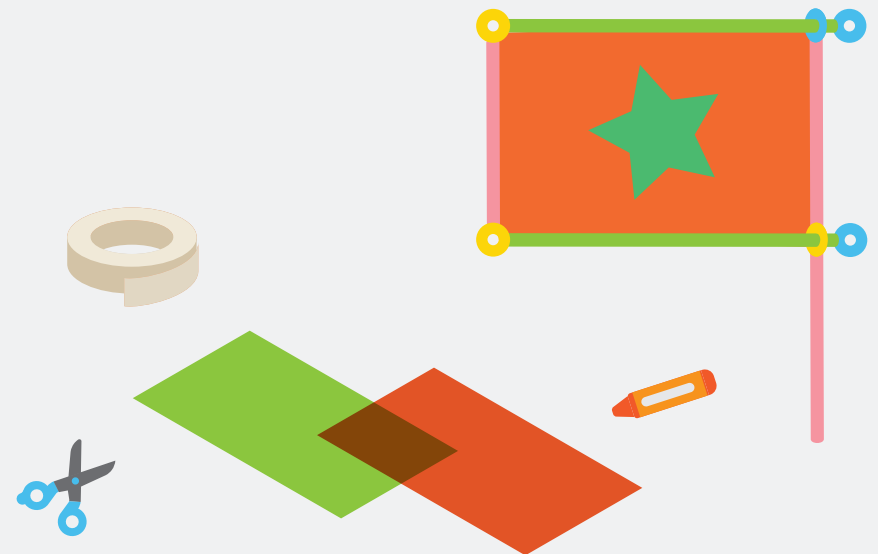

Slide green straw through blue connector until it clicks in place

- 4** Count 2 yellow connectors and 1 pink straw

Attach to green straws to complete flag

- 5** Design your own flag on paper and tape on the structure.

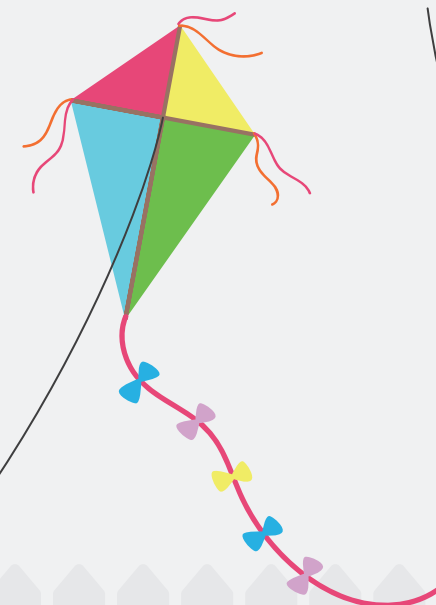

# 3. Kites

? Have you flown a kite?

 Draw a kite on the strings.

? What do kites from other countries look like?

 Draw a tail for each kite.

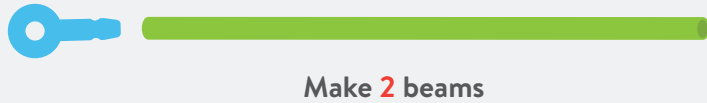

# BUILD A KITE TO FLY IN THE AIR

-  x 3
-  x 4
-  x 4
-  x 3

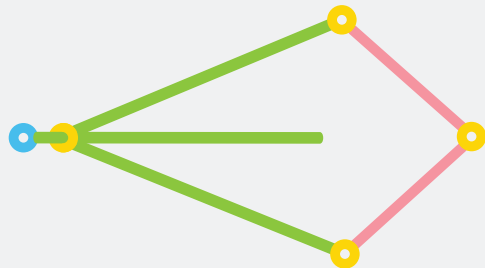

**1** Count 4 yellow connectors, 2 green straws and 2 pink straws

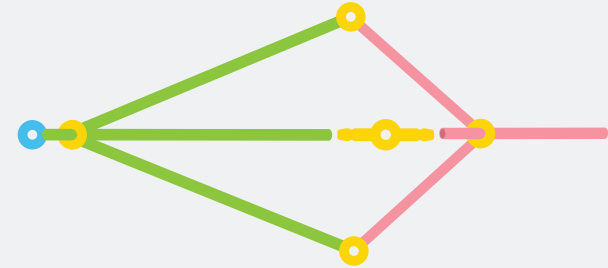

**2** Count 2 blue connectors and 2 green straws

**3** Slide green straw through yellow connector until blue connector clicks in place

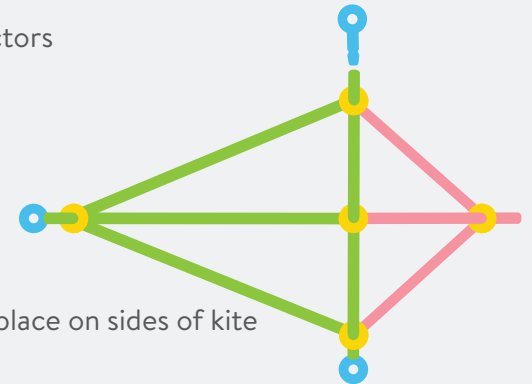

**4** Count 1 pink straw and 1 yellow connector

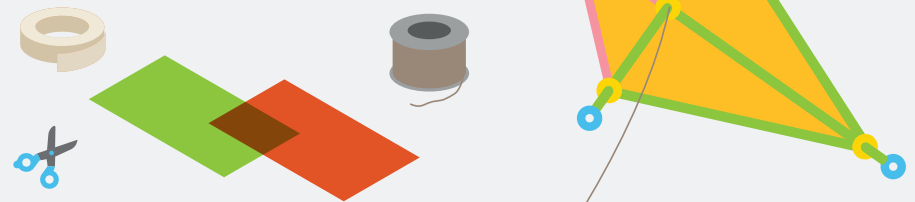

Slide 1 pink straw through yellow connector and connect to green straw with yellow connector

**5** Count 2 blue connectors

Click connectors in place on sides of kite

**5** Add paper and a string to make your kite fly!

# 4. Lantern

Draw a lantern with a candle inside

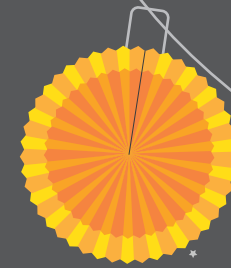

Name the parts of a lantern

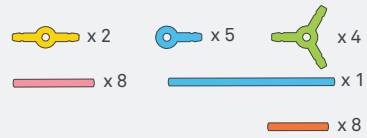

Write when you use a lantern

Color the lantern

## BUILD A LANTERN

- 1** Count 4 blue connectors and 4 pink straws

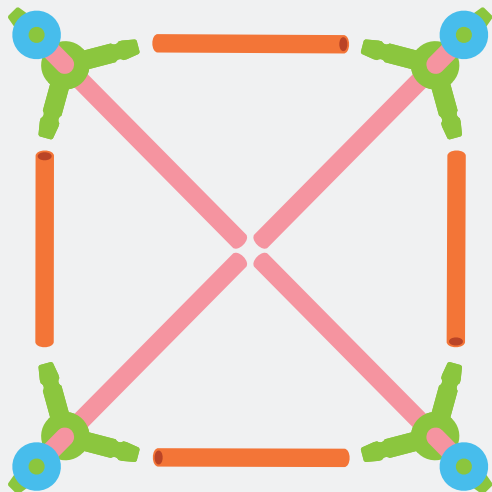

- 2** Count 4 green connectors

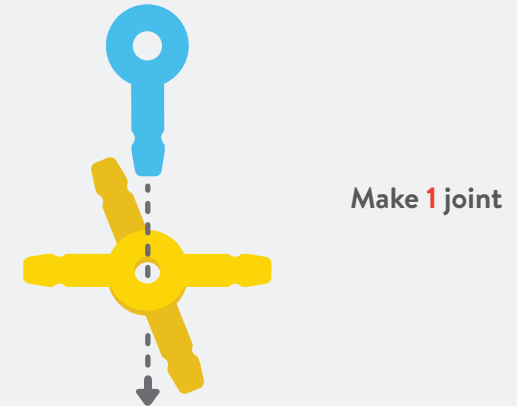

Slide and push green connector along straw until it clicks on blue connector

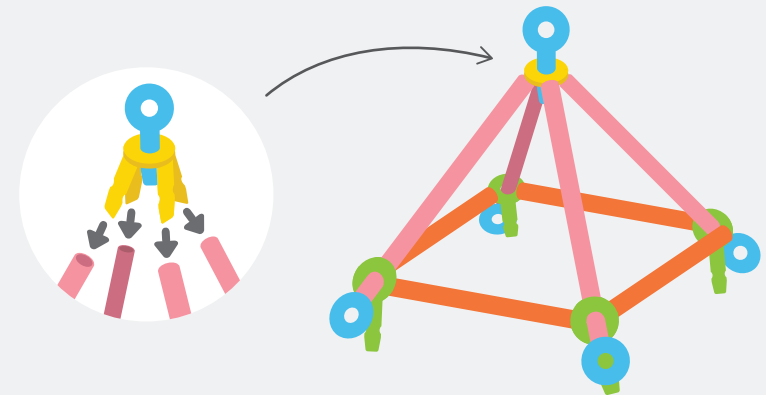

- 3** Count 4 orange straws

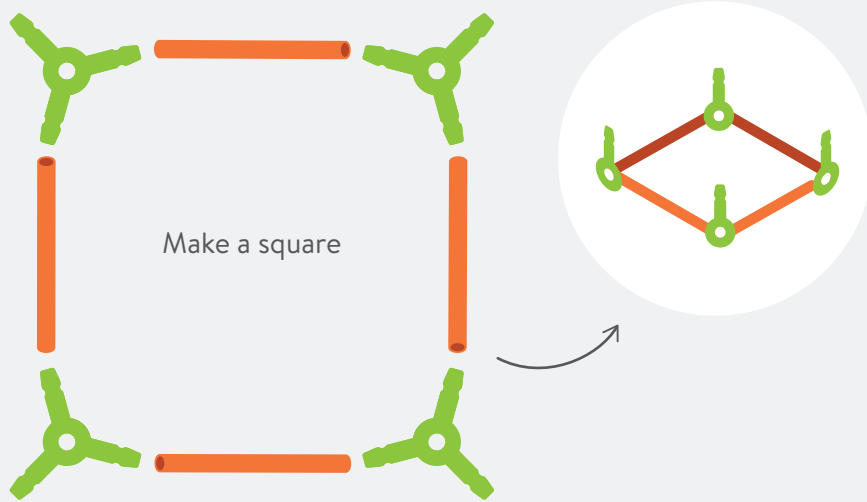

- 4** Count 2 yellow connectors and 1 blue connector

- 5** Connect joint to pink straws

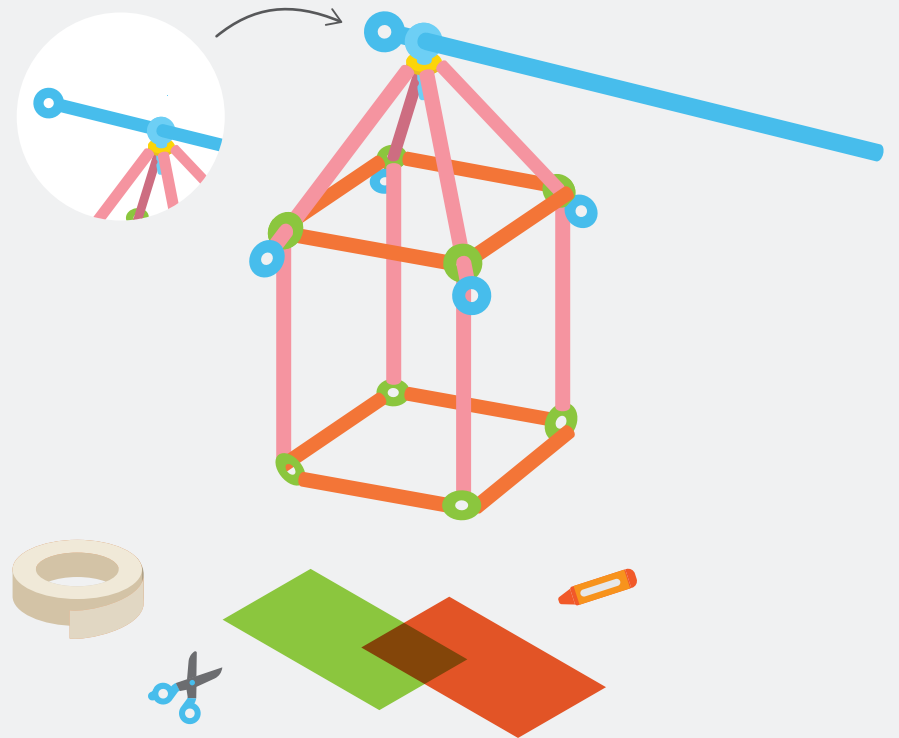

- 6** Count 4 orange straws and 4 green connectors

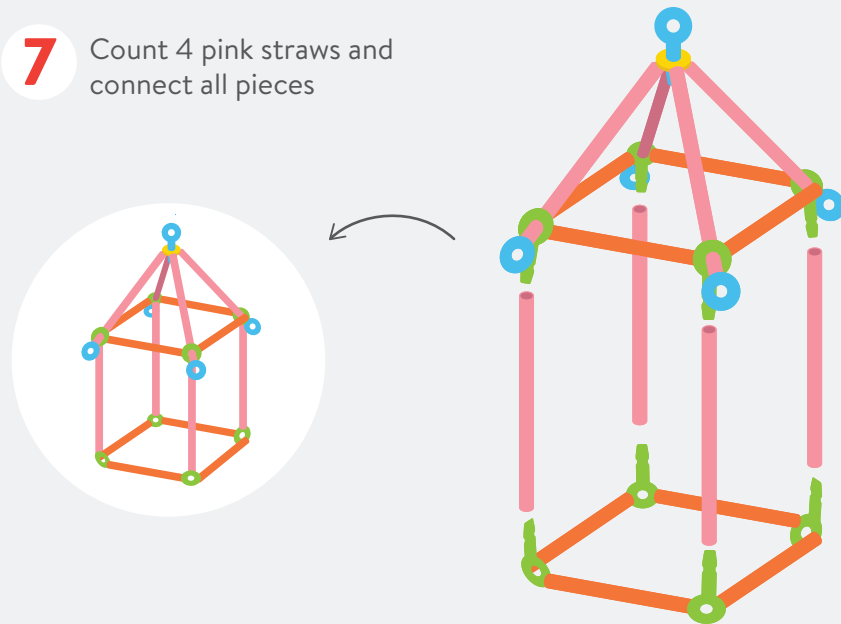

- 7** Count 1 blue straw and 1 blue connector

- 9** Attach the lantern to the holding stick and decorate it with paper

- 7** Count 4 pink straws and connect all pieces
